Dear Sirs:

I will need an Academic Transcript legalised and sent from England to Chile. I understand I must first get it legalised by the Foreign Office, before sending it to you. I would like to know at what point I should get it translated into Spanish, before taking it to the Consulate, or will it be translated in Chile? Do I need to use a translator belonging to the Consulate, any certified translator, or a Chilean translator? Thanks.

Yours Faithfully,

Richard
